Our Bureau

New Delhi: The country's largest two-wheeler maker Hero MotoCorp on Tuesday beat street estimates to cross the ₹10,000 crore mark in revenues for the first time in a quarter.

The company reported 36% increase in net profit at ₹1,122.53 crore for the three months ended June 30, 2024 signalling a steady recovery in motorcycle sales in the local market where average selling price too has increased due to growing preference for premium vehicles.

The company had reported net profit of ₹824.72 crore in the corresponding period of last financial year.

Revenues from operations last quarter rose by 15.8% to a record ₹10,163.73 crore. This is the first time that the company's revenues crossed the ₹10,000 crore mark in a quarter. Total expenses in the quarter under review went up by 14.8% to ₹8,961.56 crore.

The company sold 15.35 lakh two-wheelers last quarter, which is an increase of 13.5% over 13.53 lakh units sold in the year-ago period.

Earnings before interest, tax, depreciation and amortisation (EBITDA) went up by 21% to ₹1,861 crore in Q1 FY25. Ebitda margin last quarter expanded to 14.4%.

Hero MotoCorp witnessed positive trends across domestic, electric vehicle and global business verticals last quarter, the company said in a statement, adding, it expects demand momentum to build up over the next few quarters on back of positive consumer sentiments, good monsoons and the upcoming festive season.

Nirajun Gupta, chief executive officer at Hero Moto Corp, said, "We continue to be on the profitable growth journey, crossing ₹10,000 crore revenue for the first time ever, accompanied by highest ever underlying PAT."

As we surge forward, we are investing behind long term capacity building to

ensure sustained delivery of growth in future."
