

Construction of Pre-fabricated classrooms at Govt. Secondary school, Bagsaid, Distt. Mandi, H.P.

The Bagsaid Govt. Secondary school is situated in far flung and tough hilly terrain area of Distt. Mandi, H.P. In this school the students belong primarily to the families who are socio-economically backward. The school building was collapsed due to some natural calamities. The students got disconnected from the education stream which was not in favour of their future. GoHP approached SJVN for assistance so that the educational activities in the school can be restored. SJVN rose to the occasion as a responsible corporate citizen and sanctioned Rs.35.00 Lakhs under CSR initiative to construct pre-fabricated classrooms in the Bagsaid school. The work was assigned to Ropeways and Rapid Transport System Development Corporation of H.P. The agency constructed the pre-fabricated classrooms immediately and by virtue of which the educational activity in the school has been restored.
