**MESSAGE OF CHAIRMAN & MANAGING DIRECTOR**  
**ON THE OCCASION OF 38<sup>TH</sup> RAISING DAY**

Dear SJVNites,

On the proud occasion of SJVN's 38<sup>th</sup> Raising Day, I extend my heartfelt greetings to each one of you and your families. This day is a celebration of our shared journey — a story of vision, grit and collective excellence that has shaped SJVN into a trusted name in India's power sector.

From a single hydro project in 1988 to becoming a Navratna CPSE in 2024, SJVN's evolution reflects the resilience and determination of every SJVNite. Your commitment has driven our transformation and positioned us as a key contributor to India's clean and green energy vision.

Since the last Raising Day, we have successfully commissioned 410 MW of renewable energy projects. This year, we have achieved yet another historic milestone with Hon'ble Prime Minister of India laying foundation stone of our 100 MW Nawa Solar Power Project in Rajasthan. We are steadfast in the commitment to commissioning of our 1320 MW Buxar Thermal Power Project in Bihar and to achieving full operational capacity of the 1000 MW Bikaner Solar Power Project very soon.

Even as we mark milestone after milestone with pride, we are reminded of our larger role as responsible citizens. In the current global context, our contribution to national progress becomes even more critical. Energy security, sustainability and self-reliance are no longer just goals — they are imperatives for a stronger and more resilient Viksit Bharat. Let us remain mindful of the trust the nation places in us and reiterate our commitment to delivering excellence efficiently.

As we aim to become a 25,000 MW company by 2030 and 50,000 MW company by 2040, our focus must remain unwavering on the timely execution of under-construction projects. Let us also continue aligning our efforts with India's goal of achieving 500 GW of non-fossil fuel-based capacity by 2030.

I am confident that with our passion, performance and unity of purpose, we will not only meet but exceed expectations. Let us celebrate this day not just as a reminder of what we have achieved, but as a reaffirmation of what we aim to become.

As proud bearers of SJVN's legacy, let us keep rising beyond limits. Wishing you and your families a Happy 38<sup>th</sup> Raising Day.

**Jai Hind!**
