Dear Stakeholders,

It is a matter of great honour that SJVN has been granted the status of NAVRATNA company. On this momentous occasion, I would express my sincere gratitude to our Hon'ble Prime Minister, who through his visionary leadership has ushered in a new era of greater opportunities in the Power sector of the country. I am also grateful to Hon'ble Finance Minister and Hon'ble Power Minister, who have all along provided us the guidance and support to move forward and achieve this coveted status. I also extend my heartfelt thanks to the Government of Himachal Pradesh for their assistance to SJVN as an Equity Partner. The Ministry of Power, Government of India through their valuable advice and mentorship has made it possible for SJVN to strive for attaining this status.

The Company which is presently passing through its 36th year of glorious journey joins twenty-four other Companies that have been granted the elite NAVRATNA status. This achievement is a testament to the collective efforts and unwavering dedication of every employee, both former and present, who have been associated with the Company. This is also an evidence of SJVN's commitment to excellence, innovative thinking and passion to deliver exceptional results.

The NAVRATNA status will bestow increased financial and operational freedom to SJVN and enable the Company to take advantage of the new opportunities in the Power Sector and add value to the stakeholders. The Company will also enjoy greater autonomy to enter joint ventures and float subsidiaries both within and outside the country. This will propel the growth trajectory of the Company and guide us to move towards becoming an important player in the Power Sector. The status of NAVRATNA will be a major turning point towards greater expansion and growth of the Company.
