

**Enclosure-1****ANNUAL COMPLIANCE REPORT ON FOREST CLEARANCE CONDITIONS****PERIOD:** For FY 2024-25**PROJECT:** Luhri HEP-I (210 MW), SJVN, Samantha, Kumarsain, Shimla, HP-172030.

| <b>S. N.</b>  | <b>Description of Conditions</b>  | <b>Compliance Status</b>  |
|---|---|---|
| <b>Ref.: FC Stage-I (For Project - 98.1004 ha)<br/>File No. 8-48/2018-FC; Sept 19, 2018</b> |   |   |
| (i)   | Legal status of the diverted forest land shall remain unchanged;  | Confirmed   |
| (ii)  | The State Government shall submit the complete FRA certificate in prescribed format as per the Ministry of Environment, Forest & Climate Change, Government of India's letter no. 11- 9/98-FC (pt.) dated 3rd August 2009, prior to stage II;   | Complied on Sept 19, 2018   |
| iii)  | The Specific conditions which were laid down by the members of Gram Sabha, shall be resolved before grant of Stage-II approval;   | Complied through Public hearing and reported to MoEF&CC on Sept 19, 2018  |
| iv)   | The User agency shall submit approved CAT plan and R&R plan prior to stage II approval;   | Complied and reported to MoEF&CC on Sept 19, 2018   |
| v)  | The Shape file of total CA area shall be submitted prior to stage II approval;  | Complied  |
| vi)   | The CA land and area sought for diversion shall be depicted on Sol topo sheet. It shall be submitted prior to Stage-II approval;  | Complied  |
| vii)  | The Compensatory Afforestation shall be raised over double the diverted forest land and at least 1000 plants per hectare (98.1004 ha x 1000 = 981004 plants) shall be planted over identified double degraded forest land as per the working plan prescription with provision for ten years on subsequent maintenance within three years of Stage-II clearance. If it is not possible to plant that many saplings in the area identified for CA, the balance saplings will be planted in any other forests as per prescriptions of approved working plan; | INR 3,97,16,336/- deposited with MoEF&CC against the CA by Project The breakdown as under: <ul style="list-style-type: none"> <li>• Rampur Division (INR 2,08,01,880/-; <b><i>UC of INR 4,21,800/- issued</i></b>)</li> <li>• Ani Division (INR 1,89,14,456/-; <b><i>UC of INR 1,02,13,500/- issued</i></b>)</li> </ul> |
| viii)   | The land identified for the purpose of CA shall be clearly depicted on a Survey of  | Complied  |

Note: Changes from previous report are highlighted in bold and italics.

| S. N. | Description of Conditions   | Compliance Status  |
|-------|---|--|
|       | India toposheet of 1:50,000 scale;  |  |
| ix)   | The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with the State Forest Department in the account of Ad-hoc CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;   | Complied   |
| x)    | The User Agency shall provide additionally 25% of the CA cost towards Soil and Moisture Conservation measures in the proposed CA area as per site requirement and the said amount may be deposited in the account of Ad-hoc CAMPA of the concerned State through online e-portal only;  | INR 99,29,084/- deposited against SMC measures.<br>Breakdown as under: <ul style="list-style-type: none"> <li>• Rampur Division (INR 52,00,470/-)</li> <li>• Ani Division (INR 47,28,614/-)</li> </ul> |
| xi)   | The User Agency shall transfer online, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned; | Complied   |
| xii)  | All the funds received from the user agency under the project and deposited in the State Forest Department account, except the funds realized for regeneration/demarcation of safety zone, shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned;   | Complied   |
| xiii) | The user agency should ensure that the compensatory levies (CA cost, NPV etc.) are deposited through challan generated online on a web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance;   | Complied   |
| xiv)  | At the time of payment on the Net Present   | Complied   |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.  | Description of Conditions  | Compliance Status  |
|--------|--|--|
|        | Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;  |  |
| xv)    | The approved Catchment Area Treatment (CAT) Plan shall be implemented at the cost of the user agency. The commensurate cost of CAT plan will be deposited in the CAMPA account through e-portal;   | Complied   |
| xvi)   | The User Agency shall carry out muck/silt disposal at pre-designated sites in such a manner so as to avoid its rolling down;   | Being Complied in consultation/supervision of HPSPCB   |
| xvii)  | The dumping area for muck/silt disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of the Project under the supervision of the State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping materials in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per plan; | Shall be done in line with the Muck Management Plan (Approved by MoEF&CC).<br><br>Ensured to stabilize and restore the dumping sites before handing over the same to HP Forest Department. |
| xviii) | The dumping area for muck disposal should be stabilized and reclaimed and plantation of suitable species be carried out over dumping areas at the cost of the user agency under the supervision of the State Forest Department. Rehabilitation of the dumping areas should be completed before the project is closed;  | Shall be done in line with the Muck Management Plan (Approved by MoEF&CC).<br><br>Rehabilitation of dumping areas ensured before Project completion.                                       |
| xix)   | The user agency shall consult organization(s) having experience in construction of roads in hilly areas to avoid frequent road blockade due to landslides, etc and shall provide breast walls and retaining walls wherever necessary.  | Being Complied   |
| xx)    | The State Government shall submit a certificate that the site for CA is suitable and free from all encroachments and other encumbrances, under the signature not below the rank of Nodal Officer (FCA) in the State Government.  | Complied by HP Forest Department along with instant proposal.  |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.   | Description of Conditions  | Compliance Status  |
|---------|--|--|
| xxi)    | The User agency shall obtain the Environment Clearance as per the provisions of the Environment (Protection) Act, 1986, if required;   | Environment Clearance accorded to Project by MoEF&CC on March 17, 2020, with Amendment in EC on March 18, 2021.  |
| xxii)   | The State Government shall ensure that the forest land located between FRL and the FRL -4 meters may be afforested by planting appropriate indigenous tree species.  | Compliance to be made by the State Forest Department.  |
| xxiii)  | The User Agency shall undertake afforestation along the periphery of the reservoir;  | Shall be complied  |
| xxiv)   | The User agency shall provide free water for the forestry related projects;  | Shall be complied  |
| xxv)    | Layout plan of the proposal shall not be changed without the prior approval of the Central Government;   | Being complied   |
| xxvi)   | No labour camp/huts shall be established on the forest land;   | Being complied   |
| xxvii)  | The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;   | Being complied   |
| xxviii) | Felling of trees on the forest land being diverted shall be reduced to the bare minimum and the trees should be felled under strict supervision of the State Forest Department;  | Being complied   |
| xxix)   | The State Government ensures that the user agency shall implement the R&R Plan as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work. The said R&R Plan will be monitored by the State Government/ Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones; | <p>Being complied.</p> <p>In Distt. Shimla:<br/>R&amp;R Scheme approved by Divisional Commissioner, Shimla on June 04, 2022. An amount of INR 29.08 Crores has been disbursed in Mohal Nirath, Bhadrash &amp; Naula against INR 32.92 Crores (R&amp;R Entitlement and as per RFCTLARR Act 2013).</p> <p>In Distt. Kullu:<br/>R&amp;R Scheme approved by Divisional Commissioner, Kullu on Dec 20, 2021. An amount of INR 15.05 Crores has been disbursed in Phatti Neether and</p> |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.   | Description of Conditions  | Compliance Status  |
|---------|--|--|
|         |  | <p>Gadej against INR 15 Crores (R&amp;R Entitlement and as per RFCTLARR Act 2013).</p> <p>Resettlement of displaced families is under process.</p> |
| xxx)    | <p>User agency in consultation with the State Forest Department shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared in this project. Bird nests artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;</p> | <p>Shall be complied.</p>  |
| xxxii)  | <p>State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013 in support thereof;</p>  | <p>Complied</p>  |
| xxxii)  | <p>The user agency shall provide alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;</p>   | <p>Being complied</p>  |
| xxxiii) | <p>Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS coordinates;</p>  | <p>Complied and reported to the HP Forest Department.</p>  |
| xxxiv)  | <p>The State Government shall maintain the character of the projects as a Hydel project and to ensure continued benefit to the farmers in the command area, no more diversion of water from the project for industrial projects will be permitted in future;</p>   | <p>Ensured by Project/SJVN.</p>  |
| xxxv)   | <p>No residential buildings / offices shall be constructed in the proposed forest area. The state government may clarify how much area required for these facilities before stage-II approval;</p>   | <p>Ensured by Project/SJVN.</p>  |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.   | Description of Conditions  | Compliance Status   |
|---|--|---|
| xxxvi)  | Other standard conditions as applicable to proposals relating to Hydro Electric Projects will be applicable in this also;  | Ensured   |
| xxxvii)   | Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;   | Ensured   |
| (xxxviii)   | The user agency shall submit the annual self-compliance report in respect of the above conditions to the State Government, concerned Regional Office and this Ministry by the end of March of every year regularly;  | Last Annual Self Compliance Report for the Project submitted on <b><i>May 04, 2024.</i></b> |
| (xxxix)   | The user agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, relevant Hon'ble Court Order (s) and National Green Tribunal (NGT) Order(s), if any, pertaining to this project for the time being in force, as applicable to the project.   | Being Complied  |
| <b>Refer: Stage-II (For Project - 98.1004 ha)<br/>File No. 8-48/2018-FC; March 28, 2019</b> |  |   |
| 1   | Legal status of the diverted forest land shall remain unchanged.   | As replied above (Stage-I)  |
| 2   | The compensatory afforestation over the degraded forest land, twice in extent to the area of forest land proposed to be diverted (2X98.1004 = 196.2008 hectares of degraded forest land), shall be raised on identified land within a period of three years with effect from the date of issue of Stage-II clearance and maintained thereafter in accordance with the approved Plan by the State Forest Department from the funds already provided by the User Agency. | Compliance by HP Forest Department.   |
| 3   | The User Agency shall pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.   | Shall be complied.  |
| 4   | The project area shall be demarcated on ground at the project cost using 4 feet high RCC Pillars with each pillar inscribed with serial no. forward and backward bearing distance between two adjacent pillars and GPS co-ordinates.   | As replied above (Stage-I)  |
| 5   | The user agency shall obtain the Environment Clearance as per the provision of the Environmental (Protection)  | As replied above (Stage-I)  |

Note: Changes from previous report are highlighted in bold and italics.

| S. N. | Description of Conditions   | Compliance Status  |
|-------|---|--|
|       | Act, 1986, if required  |  |
| 6     | The State Govt. and User Agency shall implement the R&R Plan as per the R&R policy of State Govt. in consonance with National R&R Policy, Govt. of India before the commencement of the project work. The said R&R Plan will be monitored by the State Govt./ Regional office of MoEF&CC along with indicators for monitoring and expected observable milestone.  | As replied above (Stage-I)   |
| 7     | The State Govt. and the user agency shall ensure that there is no illegal occupation/encroachment of forest land by the families to be displaced from the project site, the user agency shall ensure that each family being displaced from the project site actually acquires and settles on non-forest land. Apart from taking other measures to achieve the said objective, as a measures to discourage the project affected families from encroaching into the forest land, payment of annuity for a period of at least five years at the rate of the minimum wage payable to the un-skilled person for 200 person-day per annum to each adult member of the project affected families, on receipt of a certificate signed by a forest officer not below the rank of a Range Officer having jurisdiction over the area where such person has settled after displacement from the project site, should be incorporated in the R&R Plan. Payment of the said annuity should be additionally and not in replacement of any of the benefits to be accrued to the project affected person, as per the present R&R Plan. | No encroachment reported by the Forest Department.   |
| 8     | User agency shall track the location of each displaced family and ensure that none of them encroach / occupy forest land. In support of compliance to this condition at least for five years from the date of taking possession of the forest land, the user agency shall submit an annual certificate to the Principal Chief Conservator of Forest, Himachal Pradesh that none of the persons displaced from the project land has encroached / settled on the forest land during the year.   | Accepted.<br><br>None of the persons displaced from the project land has encroached / settled on the forest land during this year, <b><i>(Annex-1)</i></b> . |

Note: Changes from previous report are highlighted in bold and italics.

| S. N. | Description of Conditions  | Compliance Status                       |
|-------|--|---|
| 9     | The State Government shall ensure that the Catchment Area Treatment (CAT) plan of the project shall be implemented under the supervision of State Forest Department from the funds already provided by the user agency   | For compliance by HP Forest Department. |
| 10    | The State Government shall ensure that felling of trees, if unavoidable on the forest land being diverted will be reduced to the bare minimum and the trees should be felled under strict supervision of the State Forest Department. Moreover, it shall be ensured that whenever possible maximum trees marked for felling should be translocated in the consultation of the State Forest Department. | <b><i>Being complied</i></b>            |
| 11    | Other standard conditions as applicable to proposal relating to Hydro Electric Projects will be applicable in this also,   | As replied above (Stage-I)              |
| 12    | The User Agency shall take up afforestation activities all along the Reservoir/Dam/Canal in consultation with the Forest Department.   | Shall be complied                       |
| 13    | The Government of Himachal Pradesh and the user agency shall ensure that the trees available between Full reservoir level (FRL)- 4 meters are not felled.  | As replied above (Stage-I)              |
| 14    | The user agency shall provide free water from the project for all forestry related activities.   | As replied above (Stage-I)              |
| 15    | The layout plan of the proposal shall not be changed without the prior approval of the Central Government.   | As replied above (Stage-I)              |
| 16    | No labour camps shall be established on the forest land.   | As replied above (Stage-I)              |
| 17    | The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person.   | As replied above (Stage-I)              |
| 18    | The user agency shall provide alternate fuel to the labourer and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.  | As replied above (Stage-I)              |
| 19    | User agency shall ensure that because of this project, no damage is caused to the flora and fauna available in the area.   | Being complied                          |
| 20    | The State Government shall ensure that the user agency may carry out muck  | As replied above (Stage-I)              |

Note: Changes from previous report are highlighted in bold and italics.

| S. N. | Description of Conditions  | Compliance Status                                |
|-------|--|--|
|       | disposal at pre-designated sites in such a manner so as to avoid its rolling down.   |  |
| 21    | The State Government and the user agency ensure that the dumping area for muck/silt disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining wall and terracing shall be carried out to hold the dumping materials in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per plan. | As replied above (Stage-I)                       |
| 22    | The State Government and the user agency shall ensure that the consult organization (s) having experience in construction of roads in hilly areas to avoid frequent road blockade due to landslide etc. and shall provide breast walls and retaining walls wherever necessary.   | As replied above (Stage-I)                       |
| 23    | The State Government shall ensure in consultation with the State Agriculture Department to utilize such areas (except those located in forest land) during dry months for cultivation of appropriate crops by the project affected families (without the use of fertilizers) simultaneously during implementation of the project.  | Undertaking already submitted with the proposal. |
| 24    | Any other condition that the concerned Regional Office of this Ministry may stipulate from time to time, in the interest of conservation, protection and development of forest and wildlife, subject to approval of competent authority.   | As replied above (Stage-I)                       |
| 25    | The user agency shall submit the annual self-compliance report in respect of the above conditions and also to the conditions stipulated in Stage – I clearance to the State Government concerned Regional and this Ministry by the end of March of every year regularly.   | As replied above (Stage-I)                       |
| 26    | The User Agency and the State Government shall ensure compliance to provision of all the Act, Rule Regulations, Guidelines, NGT Order (s) and relevant Hon'ble Court Order (s), if any, pertaining   | As replied above (Stage-I)                       |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.  | Description of Conditions  | Compliance Status  |
|--|--|--|
|  | to this project for the time being in force, as applicable to the project.   |  |
| <b>Stage-I (Additional land for development of Road to Quarry - 0.9486 ha)<br/>File No. 8-48/2018-FC(Vol.); Dec 21, 2020</b> |  |  |
| <b>A.</b>  | <b>Conditions which need to be complied prior to handing over of forest land by the State Forest Department</b>  |  |
| 1.   | User agency shall prepare a detailed plan to undertake bio-engineering measures up to 100 meters on either side of the proposed road. The measures should promote greenery in the area. The cost of preparation of plan and implementation shall be borne by the User Agency. The approved plan, from competent authority in the state, shall be submitted prior to Stage-II approval. The State government may also coordinate with the Ministry of Agriculture & Farmers Welfare to explore possibility for finding appropriate support for bamboo Plantation in the designated plan area; | Detailed plan prepared and approved by the Forest Department (CCF, Rampur) on Feb 10, 2021.<br><br>INR 19,57,500/- deposited to HP Forest Department on July 05,2024 & being implemented <b><i>(UC for INR 15,39,410/- issued by DFO-Anni)</i></b> . |
| 2.   | <b>Compensatory Afforestation</b>  |  |
| (a)  | The State Government shall certify that no plantation or afforestation work has been taken up in the past in the proposed CA land  | For compliance by the Forest Department.   |
| (b)  | The cost of compensatory afforestation at the prevailing wage rates as per compensatory scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.  | INR 10,28,126/- deposited against CA, NPV, etc. on Feb 01, 2021, with HP CAMPA.  |
| 3  | <b>Net Present Value (NPV)</b>   |  |
| (a)  | The State Government shall charge the NPV for the 0.9486 ha forest area to be diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008,24/04/2008 and 09/05/2008 in IA No. 566 in WP © No. 202/1995 and as per the guidelines issued by the Ministry vide letter No. 5-1/1998-FC (Pt.II) dated 18/09/2003 , as well as letter  | Infor supplied against 2(b), above.  |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.     | Description of Conditions   | Compliance Status   |
|-----------|---|---|
|           | No. 5-2/2006- FC dated 03/10/2006 and 5-3/2007-FC dated 05/02/2009 in this regard.  |   |
| (b)       | Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by Hon'ble Supreme Court of India shall be charged by the State Government from the user agency. The user agency shall furnish an undertaking to this effect. | Undertaking already submitted.  |
| 4         | The cost of felling of trees shall be deposited by the user Agency with the State Forest Department.  | Costs towards felling of trees & departmental charges, amounting INR 5,68,430/- deposited with DFO/Forest Department. |
| 5         | All the funds received from user agency under the project shall be transferred/deposited to CAMPA fund only through e-portal (Parivesh.nic.in)  | Complied  |
| 6         | The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate along with requisite annexure from the concerned District Collector.   | Complied on Aug 02, 2021 and shared with MoEF&CC.   |
| 7         | The complete compliance report shall be uploaded on e-portal (parivesh.nic.in).   | Complied  |
| 8         | The kml files of the polygons of forest land diverted and the accepted CA land (along with those in respect of already diverted forest land of 98.1004 ha) shall be uploaded in the e-Green Watch Portal.   | For compliance by HP Forest Department.   |
| <b>B.</b> | <b>Condition which needs to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval</b>                                   |   |
| 1         | Legal status of the forest land shall remain unchanged.   | Undertaking already submitted.  |
| 2         | User agency shall ensure that no Muck/debris is thrown/dumped on the river/stream bed. The muck shall be dumped on the designated dumping sites only.   | Undertaking already submitted.  |
| 3         | Before initiating the work of dumping, sites shall be protected by erecting protection wall to avoid rolling debris;  | Undertaking already submitted.  |
| 4         | Excavation shall be carried out in a scientific way to avoid rolling down of muck into river stream;  | Undertaking already submitted.  |
| 5         | Compensatory Afforestation shall be taken up by the Forest Department over 1.9 ha. of degraded-forest land (C. No. H43F7,1/19 lamidhar, Chowai Range, Forest Division   | For compliance by HP Forest Department.   |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.  | Description of Conditions   | Compliance Status   |
|--|---|---|
|  | Ani, Distt Kullu, HP) at the cost of the User Agency. As far as practicable a mixture of local indigenous species will be planted, and monoculture of a species has to be avoided.  |   |
| <b>FC Stage-II (Additional land for development of Road to Quarry - 0.9486 ha)<br/>File No. 8-48/2018-FC(Vol.); Oct 13, 2021</b> |   |   |
| <b>A.</b>  | <b>Condition which need to be complied prior to handing over of Forest land to User Agency by the State Govt</b>  |   |
| 1.   | The State Govt. shall ensure that the user agency will implement bio-engg. measures up to 100 meters on either side of the proposed road as per the report at the cost of the UA and the measure will promote greenery in the area.   | Detailed plan prepared and approved by the Forest Department (CCF, Rampur) on Feb 10, 2021.<br><br><b><i>Being implemented by HP Forest Department.</i></b> |
| 2.   | The State Govt. shall coordinate with the Ministry of Agriculture & Farmers welfare to explore possibility for finding appropriate support for bamboo plantation in the designated plan area.   | For compliance by HP Forest Department.   |
| 3.   | The State Govt. shall ensure the complete compliance on FRA, 2006; it should also be ensured that the FRA certificate issued by District Collector is complete with letter number, date, name, signature and official seal, as required in the certificate;   | Complied  |
| 4.   | The user agency shall implement the R&R plan as per R&R policy of state gov't in consonance with national R&R policy, Government of India before the commencement of Project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones; | Being complied  |
| 5  | The State Govt. shall ensure that the boundary of the diverted forest land, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS coordinates.  | Complied  |
| 6  | The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental   | Complied, EC issued to Project.   |

Note: Changes from previous report are highlighted in bold and italics.

| S. N.    | Description of Conditions  | Compliance Status                         |
|----------|--|---|
|          | (Protection) Act, 1986, if required;   |   |
| <b>B</b> | <b>Conditions which need to be complied after handing over of forest land to the user agency by the State Govt</b>   |   |
| 1.       | Legal status of the forest and shall remain unchanged;   | Ensured                                   |
| 2.       | The State Government shall ensure that the minimum number of trees/plants/poles in any case not more than mentioned in the applied forest area will be removed and the trees should be felled under strict supervision of the State Forest Department;                         | Ensured                                   |
| 3.       | The proposed forest land i.e. 0.9486 ha shall be handed over to the User Agency only after when the User Agency has acquired the required non-forest land, if any, for the project;  | Ensured                                   |
| 4.       | The Compensatory Afforestation shall be taken up by the State Forest Department over 1.89 ha. degraded forest land at the cost of the User Agency.
