

Shri Nand Lal Sharma
Chairman & Managing Director

MESSAGE

Central Vigilance Commission, as a part of its continual efforts to achieve a corruption free India, is organizing Vigilance Awareness Week 2018 (VAW) w.e.f. 29th October (Monday) to 03rd November (Saturday) 2018 with a theme of “Eradicate Corruption-Build a New India” (भ्रष्टाचार मिटाओ-नया भारत बनाओ). The observance of VAW renews our commitment to achieve the goal of promoting integrity, transparency and accountability in governance for a Corruption Free India.

For this purpose, the employees of our organization have a very important obligation on their part. They should inculcate the vision of integrity in their life and they should also spread this culture to their family, colleagues, friends and public in general.

Let us take a pledge to dedicate ourselves to this mission and make our country shining example of a corruption free nation.

I extend my best wishes to all the employees on this occasion and urge them to actively participate in all the activities being conducted by the Vigilance Department on this occasion.

(N.L.Sharma)
