

Expression of Interest (EOI) for Exploring Potential Sale of Solar PV Modules Stored at Multiple Locations in India				
SGEL/CHQ/Contracts/EOI-Modules/2026				
Sr.No.	Tender Reference	Description	Clarifications from Bidders	Reply From SGEL
1		ALMM Compliance:	We request confirmation on whether the offered Solar PV Modules are enlisted under ALMM (List-I), or if any of the modules qualify under the currently applicable ALMM framework.	No, these are imported modules.
2		Regulatory Applicability:	In case the modules are not part of ALMM List-I, we request your guidance on their admissibility for use in projects awarded by SJVN/SGEL or other government agencies.	It is the Bidder responsibility to access the market for utilization of these modules
3		Guaranteed Generation (Performance Consideration):	Considering that the modules were procured earlier and are being offered under the present EOI, we request clarification on whether any relaxation or adjustment shall be provided in the guaranteed generation / CUF commitments in SJVN/SGEL projects, in case such modules are utilized.	As per the Tender Provisions, if applicable
4		Project Usage Acceptance:	Kindly confirm whether the use of these modules will be acceptable in future tenders/projects of SJVN/SGEL without any penalty or deviation in technical qualification criteria.	As per the Tender Provisions, if applicable
5	2.5 Details of Solar PV Modules.	The modules were procured prior to the current regulatory framework relating to the Approved List of Models and Manufacturers (ALMM). Applicants shall independently assess regulatory applicability and suitability of the modules for their intended application, in accordance with prevailing laws and guidelines.	As mentioned in the EOI, the modules are procured prior to the ALMM framework. How can these modules be utilized in upcoming projects in India? Please Clarify	It is the Bidder responsibility to access the market for utilization of these modules
