11.1 The Owner, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor, may terminate this Contract in whole or in part:

- a) If the Contractor fails to complete any part of all the work or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Owner.
- b) If the Contractor fails to perform any other obligation(s) under the Contract.
- c) If the Contractor, in the judgment of the Owner has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

For the purpose of this Clause:

"Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Owner and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Owner of the benefits of free and open competition".

- 11.2 In the event the Owner terminates the Contract in whole or in part, the Owner may procure / get repaired, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered / un-repaired, and the Contractor shall be liable to the Owner for any excess costs for such similar Goods or Services. However, the Contractor shall continue performance of the Contract to the extent not terminated.

12.0 TERMINATION FOR INSOLVENCY

The Owner may at any time terminate the Contract by giving written notice to the Contractor if the Contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Contractor, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Owner.

13.0 TERMINATION OF CONTRACT ON OWNER'S INITIATIVE

- 13.1 The Owner reserves the right to terminate the Contract either in part or in full due to reasons other than those mentioned under clause entitled "Contractor's Default" and "Outbreak of War". The Owner shall in such an event give seven (7) days notice in writing to the Contractor of his decision to do so.
- 13.2 The Contractor upon receipt of such notice shall discontinue the work on the date and to the extent specified in the notice, make all reasonable efforts to obtain cancellation of all orders and contracts to the Owner, stop all further sub-contracting or purchasing activity related to the work terminated, and assist the Owner in storage, maintenance, protection, and disposition of the works acquired under the contract by the Owner.
- 13.3 In the event of such a termination, the Contractor shall be paid equitable and reasonable compensation, as dictated by the circumstances prevalent at the time of termination.

14.0 SETTLEMENT OF DISPUTES

Any dispute(s) or difference(s) arising out of or in connection with the Contract shall, to the extent possible in the first instance be resolved amicably between the Contractor and the Owner's Engineer .

If any dispute or difference of any kind whatsoever shall arise between the Owner and the Contractor, arising out of the Contract for the performance of the Works whether during the progress of the Works or after its completion or whether before or after the termination, abandonment or breach of the Contract, it shall, in the first place, be referred to and settled by the Engineer, who within a period of ten (10) days after being requested by either party to do so, shall give written notice of his decision to the Owner and the Contractor.

Save as hereinafter provided, such decision in respect of every matter so referred shall be final and binding upon the parties until the completion of the entire work under the Contract and shall forthwith be given effect to by the Contractor who shall comply with all such decisions, with all due diligence, whether he or the Owner requires arbitration as hereinafter provided or not.

If after the Engineer has given written notice of his decision to the parties, no claim to arbitration has been communicated to him by either party within ten (10) days from the receipt of such notice, the said decision shall become final and binding on the parties.

In the event of the Engineer failing to notify his decision within ten (10) days after being requested as aforesaid or in the event of either the Owner or the Contractor being dissatisfied with any such decision, or within ten (10) days after the expiry of the first mentioned period of ten (10) days, as the case may be, either party may require, by written notice to the other party, that the matters in dispute be referred to arbitration as hereinafter provided.

15.0 ARBITRATION (WITH PVT. PARTY):

15.1 All disputes or differences in respect of which the decision, if any, of the Engineer has not become final or binding as aforesaid shall be settled by arbitration in the manner hereinafter provided.

15.2 In the event of the Contractor, that is to say a citizen and/or a permanent resident of India, a firm or a company duly registered or incorporated in India, the arbitration shall be conducted by three arbitrators, one each to be nominated by the contractor and the Owner and the third to be named by the President of Institution of Engineers, India. If either of the parties fails to appoint its arbitrator within thirty (30) days after receipt of a notice from the other party invoking the arbitration clause, the President of the Institution of Engineers, India shall have the power at the request of either of the parties, to appoint the arbitrators. A certified copy of the said President making such an appointment shall be furnished to both the parties.

15.3 The arbitration shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act, 1996 or any statutory modification thereof.

15.4 Arbitration(s) shall give reasoned award.

15.5 The decision of the majority of the arbitrators shall be final and binding upon the parties. The expenses of the arbitration shall be paid as may be determined by the arbitrators. The arbitrators may, from time to time with the consent of all the parties enlarge the time for making the award. In the event of any of the aforesaid arbitrators dying, neglecting, resigning or being unable to act for any reason, it will be lawful for the party concerned to nominate another arbitrator in place of the outgoing arbitrator.

15.6 The arbitrator shall have full powers to review and/or revise any decision, opinion, directions certification or valuation of the Engineer in consonance with the contract.
