MESSAGE OF CMD ON THE OCCASION OF 39th RAISING DAY OF SJVN

Dear SJVNites

On this momentous occasion of our 39th Raising Day, I extend my heartiest congratulations to every member of the SJVN family. Since our incorporation on 24th May 1988 we have traversed a remarkable path from a single-project entity to a Navratna Power CPSE with a global footprint.

Today, we celebrate not just a date, but the tireless spirit of our workforce that has made SJVN a visible force in the renewable energy landscape. The financial year 2025-26 has been a challenging moment in our history. Through your dedication, we have achieved feats that were once considered distant targets.

We achieved our highest-ever energy generation of 13,302 MU, significantly surpassing our MoU target of 13,090 MU. Our flagship 1,500 MW Nathpa Jhakri Hydro Power Station (NJHPS) reached a monumental milestone of 150 billion units (BU) of cumulative generation.

In FY 2025-26 we successfully added 1,730 MW to our portfolio. We commissioned 1,000 MW Bikaner Solar Power Project in Rajasthan marking the significant milestone in the Company's journey towards strengthening the nation's power generation capacity. The achievement of Commercial Operation Date (COD) for the first unit (660 MW) of Buxar Thermal Power Project in Bihar marks our successful diversification into Thermal Energy. We have successfully commissioned the 70 MW Dhubri Solar Power Project in Assam, marking our expansion into north-eastern region. This addition has brought our total installed capacity from 2466.5MW to 4,196.5 MW across 15 power stations Pan India. Additionally a 30 kWp PV-based Rooftop Solar Plant installed at Project Hospital of Rampur HPS was dedicated under PM Surya Ghar: Muft Bijli Yojana.

I urge all SJVNites to continue working with unwavering dedication and renewed commitment so that SJVN can contribute significantly towards realizing the vision of Viksit Bharat 2047.

All these achievements are a testament to the "SJVN Spirit." Whether you are stationed at the high altitudes of the Satluj basin, the plains of Bihar and Rajasthan, or our international sites in Nepal, your contribution is the bedrock of our success.

As we step into another year, let us renew our commitment to three Es; "Ethics, Efficiency, and Excellence." Together, we will continue to illuminate lives and power the progress of the nation.

Wishing you and your families a Happy 39th Raising Day.

Jai Hind! Jai SJVN!
