Please Note

1) No online verification of the status of MSE is being done at the GEM end because of the latest order granting benefits up to 3 years after the change of status. Buyers are requested to verify the status of the MSE at their end.

2) Verify all the products offered, by evaluating the product specification offered by the seller to open financial Bid.

3) Please verify genuineness of any EMD uploaded offline, if it not NeSL verified.

4) Buyers should disqualify any Sellers submitting EMD Exemption document with respect to the Bid and may raise incidents for disablement of the Sellers furnishing wrong information.

5) As per para 7.3.5 on (Clarification of Bids/Shortfall Documents) of the Manual for Procurement of Goods 2024, issued by Ministry of Finance, Department of Expenditure, During evaluation and comparison of bids, the purchaser may, at his discretion, ask the bidder for clarifications on the bid. The request for clarification shall be given asking the tenderer to respond by a specified date. If the tenderer does not comply or respond by the date, his tender will be liable to be rejected. Depending on the outcome, such tenders are to be ignored or considered further. No change in prices or substance of the bid shall be sought, offered or permitted. No post bid clarification at the initiative of the bidder shall be entertained. The shortfall information / documents should be sought only in case of historical documents which pre-existed at the time of the tender opening and which have not undergone change since then. So far as the submission of documents is concerned with regard to qualification criteria, after submission of the tender, only related shortfall documents should be asked for and considered. For example, if the bidder has submitted a supply order without its completion / performance certificate, the certificate can be asked for and considered. However, no new supply order should be asked for so as to qualify the bidder.

6) Buyers are required to comply with the latest OM No.7/10/2021-PPD (1)

The bidders on their part have confirmed compliance as per DoE OM while participating in the bids. However, in case of any doubts regarding Land Border sharing or Transfer of Technology, if required, buyer may seek further clarification from the bidder to ensure compliance or call for a competent authority registration certificate as the case may be applicable for the relevant bidder.

7) GeM is capturing and showing the IP addresses used by the buyer and the seller(s) in this bid. The IP addresses shown post clicking the 'View IP address' button are to help the buyer make an informed decision and adequately safeguard itself against any possible instance of collusion.
