5. Important Clarification

All bidders are advised to ensure that the requisite payment proof and/or relevant documents are uploaded/submitted in accordance with the provisions of the Tender Document.

The tender conditions specifically provide that, for this civil work tender, applicable bidders are required to comply with the requirements relating to the Cost of Tender Document and EMD/Bid Security.

All other terms and conditions of the Tender Document shall remain unchanged.

This corrigendum shall form an integral part of the Tender Document. All prospective bidders are requested to take note of the above revised schedule and payment facilitation arrangements and submit their bids accordingly.
